Tuesday, August 30, 2011

Informational Meeting Heath Municipal Building 7:00 PM

Saturday, September 3, 2011

Lottery Drawing for Forry Preserve. Heath Municipal Building 1:00 PM

Attendance at meetings is not mandatory but is encouraged if you have questions about the deer management program.

FORRY PRESERVE

The lottery drawing will allow a maximum of four hunters and a guest to harvest deer in the Forry Preserve. Hunters drawn will select a two week segment that they wish to hunt in the order that they are drawn. When the calendar is filled the drawing will end. Also if a hunter notifies the City of Heath that he cannot hunt in the two weeks that he selected it will be filled from a list maintained by the City of Heath. Hunters who wish to be in the lottery that cannot be at drawing can send a representative if they are already registered with the City of Heath to participate in the deer management program.
