- d) Comprehensive from premises-operations, explosions and collapse hazard, underground hazard, and products completed hazard with limits of not less than three million dollars (\$3,000,000).
- e) The liability insurance policies required by this section shall be maintained by the service provider throughout the period of time during which the service provider is occupying or using the public right-of-way, or is engaged in the removal of its facilities. Each such insurance policy shall contain the following endorsement:

"It is hereby understood and agreed that this policy may not be canceled nor the intention not to renew be stated until ninety (90) days after receipt by the City, by registered mail, of a written notice addressed to the director of such intent to cancel or not to renew."
- f) Within sixty (60) days after receipt by the City of said notice, and in no event later than thirty (30) days prior to said cancellation, the service provider shall obtain and furnish to the City replacement insurance policies meeting the requirements of this section.
- g) Upon written application to, and written approval by, the Director a service provider may be self-insured to provide all of the same coverages as listed in this section; except that all coverage for workers' compensation shall be in compliance with State law. No approval for self-insurance shall be given until the Director has made a complete review of the service provider's financial ability to provide such self-insurance. As part of the review process, the Director may require, and the self-insurance applicant shall provide any and all financial documents necessary to make a valid determination of the applicant's ability to meet the needs of this chapter.

PERFORMANCE BOND REQUIREMENTS

As a condition of consent to occupy or use the public right-of-way, and to ensure the full and complete compliance with, and performance under, this chapter, including any costs, expenses, damages, or loss the City pays or incurs because of any failure attributable to the service provider to comply with the codes, ordinances, rules, regulations, or permits of the City, each service provider shall, in the amount of fifty thousand dollars (\$50,000) or such lesser amount as the Director may determine to be necessary (i) establish a permanent security bond with the City by depositing the required amount in cash, an unconditional letter of credit, or other instrument acceptable to the City, or (ii) furnish and file with the City a performance bond running to the City in the required amount from a company licensed to do business in the State of Ohio; which performance bond or security bond shall be maintained at the sole expense of the service provider so long as any of the service providers facilities are located within the public right-of-way of the City.

- a) Before claims are made against the performance bond or any sums are withdrawn from the security fund, the City shall give written notice to the service provider:
 - i) Describing the act, default or failure to be remedied, or the damages, costs, or expenses which the City has incurred by reason of the service providers act or default;
 - ii) Providing a reasonable opportunity for the public provider to first remedy the existing or ongoing default or failure, if applicable;
 - iii) Providing a reasonable opportunity for the service provider to pay any monies due the City before the City makes a claim against the performance bond or withdraws the amount from the security fund, if applicable;
 - iv) That the service provider will be given an opportunity to review the act, default, or failure described in the notice with the Director.
- b) Service providers shall maintain the full value of the performance bond regardless of claims against the performance bond made by, or paid to, the City; or shall replenish the security fund within fourteen (14) days after written notice from the City that there is a deficiency in the amount of the fund, whichever is applicable.
